Kicking Back on the Set

Yep - another glimpse into the future. The set is dressed - the curtains up - pillows strewn about - workstation in place - and audience chairs in place. It was time for a rest - so Alex and I took a few minutes for a newspaper interview for the Pueblo Chieftan. The producers, directors and editor arrived today - along with my mom, dad and aunt. It's a countdown to Lights - Camera - Action! (photo -Gregory Case)
