Three Sisters in La Veta - Part 1

---

Three quilters, from three countries (all of whom do portrait quilts) have arrived in La Veta to collaborate on a new quilt. Last year you may remember we blogged about their quilt - [see The Daily Blog on October 18, 2007](#). I've decided it would be fun to give you a peek into their combined created process and they are willing to share. Start by meeting them. They are nicknamed, The Three Sisters - Annette Hendricks, from USA, Gail Thomas from Canada, and Helen Godden from Australia.
