Three Sisters in La Veta - Part 7 - Finale

---

I guess all good things must come to an end. I hope you have enjoyed The Three Sisters. In this final video, each of them share their thoughts and offer words of wisdom.

Now, out of curiosity, would you be interested in a 15 student, four day, Master Class, with the all Three Sisters (yes, THREE teachers at once) about a year from now - in La Veta? They are considering this and would love to know if there is serious interest before making the retreat official. A ball-park only figure for four days of classes, lodging, and meals is in the \$1400-1500 range. If this is something you would seriously consider, please submit a comment to that effect. Your comment is not a commitment.
