Amazing Projects from the La Veta Quilt Retreat

Whirlwind and frenzy - two words that tend to describe my life these days. Immediately following the taping of Series 3, the gallery was transformed into a retreat space for quilters. This group did a specatular job designing their one-of-a-kind quilts - several decided to create a [Rhaspody quilt](#).

Here are photos of three Rhapsody quilts started last week. Makers from top to bottom are: Vickie McCarty (Kentucky), Monica Troy (Illinois), and Ann Haller (Oregon).

Interested in coming to a [La Veta Quilt Retreat](#)? All the info is on my website. Simply enter the [lottery list](#). You never know, you might get a call for 2009 retreats. There are several retreats each year.
