It's Time to Make Some Waves

If you have been following along with us to make your very own [Fishing With Pop Pop quilt](#), you should now be ready to begin work on the water blocks. [Click here for Part 3 directions](#) . And remember, the more blues you use for your water the more interesting it will appear. We definitely want to see everyone's work, so post them on your profile. Let's get started and make some quilting waves.
