Series 1 DVDs

We currently have season one DVD's in the warehouse. Here is what you need to know:

1. If you pre purchased last year - your DVD has been shipped, you will get it any day now.
2. We are in the middle of testing the ordering process to make sure that everyone receives the correct discount (this has been a challenging process).

Light a candle and send good wishes - we hope to have the DVDs available very soon. We will blast it from the rooftops when they are good to go!
