Series Two comes to a close with part 2 of the TQS Road Trip. The show begins on day two of our three day trip. The RV, "Anita Roadtrip," is exchanged for a "regular car" when Ricky takes the lead and directs Alex to the Cotton Patch in Lafayette, CA. Alex and Ricky have a race to select coordinating fabrics and discuss the reasons why they made their selections. The final stop of the trip is in the home of two very well-known quilting sisters.
