---

Every now and then something happens in the quilting/sewing world that is ground breaking and awesome. Bernina has just introduced their new 8 series, luxury sewing machines. Many of you watched the unveiling of it live from Kansas City. TQS has been given the wonderful opportunity to share with our community ***The Making of the 8***. TQS is grateful to Bernina for being a visionary in the sewing industry worldwide. Bernia saw Alex, Ricky, Justin, and John's vision for TQS and without them TQS would not have gotten off the ground.
