Gammill to Sponsor "Quilt National" Exhibit at IQF - Houston

---

TQS Production Sponsor [Gammill Quilting Systems](#) will sponsor the "Quilt National" exhibit at the [2008 International Quilt Festival, October 30 - November 2 in Houston, TX](#). "Quilt National is the most important contemporary art quilt exhibit in the Quilts, Inc. family of events", stated Vicki Mangum, Manager of Special Exhibits, Quilts, Inc. The works in a "Quilt National" exhibit display a reverence for the lessons taught by the makers of the heritage quilts, as well as expand the boundaries of traditional quilting by utilizing the newest materials and technologies. We understand that thousands submit entries for "Quilt National", but only a few are selected.

"Gammill is pleased to sponsor this prestigious exhibit", stated Ronald Parker, Chief Executive Officer, Gammill, Inc. "This is one of the favorite exhibits of festival goers." So TQS members, if you are going to IQF in October, be sure to put the "Quilt National" exhibit on your "to-do" list!

Have you submitted an entry into "Quilt National"? Did you get selected? Let us know about it We love to show off your work!
