### Wanna Be A Featured Guest On The Quilt Show?

---

We have recieved several inquiries regarding how to be a guest on The Quilt Show. We are looking for FRESH, NEW and ORIGINAL ideas, concepts we haven't seen before (both contemporary and traditional). Your proposal must include a bio (telling us who you are and where you live), what you plan to present (the "how to" info) and of course photos. We LOVE photos! Please send the info to me and I will make sure it gets into the hands of our producers for consideration. Proposals will not be returned but rest assured will be held in strict confidence. Don't be shy, strut your stuff!
