### My Favorite Things

---

Raindrops on roses and whiskers on kittens  
Bright copper kettles and warm woolen mittens  
Brown paper packages tied up with string  
These are a few of my favourite things!

Just like the words from [The Sound of Music](#) we all have favorite things we reach for when working on our quilts. Fancy or simple, they are what we depend upon to get the job done. I have two "favs" in my sewing box. A hardware store peephole (to view an entire quilt for color placement) and a wooden skewer (to hold tight areas as I am sewing). What are your "favorite" things?
