### Happy Valentines Day!

After 60 years of marriage you might think that Valentines day is passe', but not so. Avoiding the rush, we decided to go out to dinner last night with Mom and Dad. We chose Uncle Yu's near the down town flag pole as our choice of destination. Their neighbor, Nick is the head hauncho and treated us very well, including complimentary desserts. You might think the chocolate would have been the best, but it didn't hold a candle to the mango sorbet from Italy. SSOO good! If you are in the area, I highly recommend this restaurant, make sure you get the walnut prawns. In addition to 60 years, we are celebrating a 1 year anniversary, Joey and Shelly's engagement. Now we have THREE great kids!
