### Quilters Buzz

Have you had the chance to bookmark Gina's blog, the Quilters Buzz? I first met Gina a few years ago at market and what a bundle of energy she is! I really like her website and thought you should see it also (if you haven't already!). Added plus? I woke up this morning and she had given our community a nice plug. Thanks Gina. Check out the news about us at [www.quiltersbuzz.com](http://www.quiltersbuzz.com)
