Shopping Time!

---

Last night I flew into La Veta, CO and was welcomed warmly by Ricky and Justin . The countdown is here for the first set of show tapings. To say we are excited is the understatement! Upon arrival, what did we do? We went SHOPPING! Prior to my arrival, Justin had picked out and purchased furniture for the set. What he choose is very unusual, colorful and perfect for our vision. Now it was time to purchase the "fun stuff". Off we went to a HUGE furniture / home dec store. I have never seen anythig like it before. Because we want the set to be young and fresh looking and not the "quilterly look" we are all so familiar with, the hunt for the unusul began. One particular lamp struck my fancy. Perhaps because it reminds me of some pedal pushers I once owned. I am not trying to scare you, I do have excellent taste, but it is a new day and changes are in store. Are you ready?
