Location, Location, Location

Several have asked, where are we taping? If you have ever had the pleasure of visiting Ricky and Justin's art quilt gallery in La Veta CO, then you know what a fabulous space they have. While La Veta is a bit off the beaten trail, it is worth the effort to get here. The quilts from the gallery have been cleared and the set has been put up. To get a sneak peek of the gallery, visit Ricky's gallery page on his website at www.rickytims.com and browse around. You won't see the set for the show, but you will see the space. It is spectacular. The producers and crew start arriving Wednesday, it's a new day and the new day is NOW!
