Pod Cast - The Quilt Connection

When I think of a few years ago, I didn't even know what a podcast or ipod was! Now here we are just few years later and we are delivering to you full production TV shows and so much more via the internet! I truly believe that in the "off" year, had I not explored and played with the concept of podcasting, I would not be here today. All that said, because of my recent computer trauma, the podcasting came to an abrupt halt. But guess what?? I am back in the saddle. My most recent episode is up and running - Subject: Caring and Feeding of Fabric. To take a listen to The Quilt Connection go [here](#).
