### The Girls of Hillcrest Court

---

Tonight promises to be fun! Four of us "girls" who grew up on Hillcrest Ct in Livermore are having a reunion at my house. I was the youngest of the lot (not by much) - which means I was perhaps the most irritating of the group growing up. Guess who I am? Now the really cool thing is that I know for sure two of the gals who are coming are TQS members - and one isn't even a quilter!
