Off I Go into the Wild Blue Yonder!

It's time to pack up again. First off to Pine Needles in Iowa for their grand opening of their new store! I KNOW a bunch of you will be there - I can't wait to meet you! If not at Jill's then how about Festival in Chicago? I will be in the Bernina booth Friday afternoon and Saturday until about 2:00. In all cases be sure to wear your TQS badge. It's a New Day Every Day!
