### Celebrating Friends and Family

---

Not only did I get to hang out with Jill and Henry yesterday at Pine Needles, but my buddy Heidi Kaisand was also there! We go a WAY long WAY back. I first met Heidi at Sisters OR about 15 years ago. I have watched her career with great admiration but more importantly have watched her family grow! Last year, to this day, the girls were born , thats right - twins! Big brother Henry probably has his hands full! Happy birthday Virginia and Goldie - and many more!
