Inspired by Libby Auction a Great Success!

Thanks to all of you who participated in the [Inspired by Libby](#) online auction. It was a great success. In April of 2015 the collection will be shown at [American Quilter's Society](#) Show in Paducah. After that the auctioned-off quilts will be shipped to their new owners.

\$70,324 was raised to aid in the payment of Libby's medical expenses.

Thank you to all of the quilters who dedicated their time and effort.

And a great big THANK YOU to Clara Lawrence whose great big heart (along with an amazing support group) put together this fabulous exhibit and auction.
