Road 2015 Special Exhibit: Inspired by The Beatles: An Art Quilt Challenge

Inspired by the Beatles, a special exhibit at [Road to California 2015](#) was curated by Donna DeSoto and was inspired by the 50th anniversary of The Beatles first visit to the US.

The quilts are all 24" x 24" and had to have a sleeve and a label. Entries could not contain any copyrighted information, images or lyrics. The collection was not juried; anyone who submitted a quilt by the deadline was included.

Quilts were made by fiber artists from all over the world using many techniques and materials. They all had one thing in common: a passion for The Beatles.
