FiberShots Deadline Extended at San Jose Museum of Quilts & Textiles

The San Jose Museum of Quilts & Textile's theme for *FiberShots* this year is "Embellish Your World." Is your world full of flowers? Ocean? Mountains? Or abstract shapes and forms? Is much of your world virtual? Whatever inspires you, they hope you will translate it into a 16" square for *FiberShots*. The deadline for submission has been extended from February 20 until February 27.

This year they will have a reverse auction, with prices beginning at \$300. After three weeks, all remaining *FiberShots* will be \$150, and in the final weeks, \$75. Museum members will have the first opportunity to purchase before the opening reception of *Common Threads*, on March 15.
