The TQS Badge.

Here again is the Quilt Show name badge logo. You can print it, embroider it, paint it, or applique it. Just remember to put your screen name in the bottom blue area. This is a great way to find other TQS members while attending shows. What fun it will be when someone sees your badge and says, "Hey, It's a New Day!"

To print the badge, [click here](#). Then, simply print the page and cut it out with scissors.
