It's Justin's Birthday Today!

---

Justin's Fan Club in the Forum is already sending wishes his way, but we want you all to know about the big day. The above photo was taken yesterday on a "birthday drive" up and over the Cordova Pass near La Veta. The river is called the Apishipa River. Apishipa means "stinky water," so Justin had to see if the river lived up to its name. According to Justin - Its doesn't stink.

Happy Birthday Justin
