ArtQuilt Gallery-NYC and The City Quilter on Celebrity Wife Swap

ABC Television network's *CELEBRITY WIFE SWAP* series recently shot a segment at ArtQuilt Gallery-NYC and The City Quilter in New York.

In this sequence, the out-of-town mother, Emily Zoltan (wife of Penn, of Penn & Teller) is trying to interest her temporarily-adopted Manhattan family's mother, comedian Judy Gold and her sons, age 12 & 17, in the arts. The producers were looking for a small-scale arts setting that might possibly engage the sports-loving boys and mother. They showed them around [ArtQuilt Gallery-NYC](#) and then [The City Quilter](#), where they immediately encountered the [BERNINA](#) sewing machine display. The boys loved using machines for the first time, and enjoyed sewing-out their names with the built-in alphabets. In fact, they didn't want to stop.

The program containing this premieres on **ABC this Tuesday, July 1 at 10pm EST.**

This show will be [available for streaming after the network premiere](#).

This photo was taken during production, with the two mothers to the left & Cathy in the middle, as she works with one of the sons.
