Have Leni Levenson Wiener Make a Pattern Just for You!

---

Many readers of Leni Levenson Wiener's book, *Photo-Inspired Art Quilts*, are not comfortable using the computer to create a "pattern" from which to make their art quilt using Adobe Photoshop or Photoshop Elements. Now you can order that pattern from Leni.

Leni will make recommendations about cropping or adjusting your photo for the most impact. She will make whatever changes are needed and then create a pattern for you from your photo.
