Quilters Hit The Road to California...Again!

It's almost time for [Road to California](#) and TQS will be there! Stop by the booth and say "Hi!" If that isn't enough, Alex and Ricky will be teaching this year.

Alex:

On Friday - *Beautifully Quilted and Fabric A to Z* - Class 50019R
On Saturday - *Scrap Crazy and Studio Dream Tours* - Class 6018R

Ricky:

On Friday - *Improvistional Patchwork, Kool Kaleidoscope & Convergence Quilts* - Class 5018R
On Saturday - *Rhapsody Quilt and Machine Quilting Overload* - Class 6017R

Some of you might remember when we found all of these license plates in the Road to California parking lot in 2010. Once again showing that creativity has no bounds, we present *Quilters Hit the Road*.
