Eric Davis

---

Sadly Mary Kay Davis' (TQS web-reporter and beloved team member) husband Eric passed away Saturday, Feb 11 after collapsing while training for a marathon. He was a great support to Mary Kay with technical behind the scene contributions to TQS, and our hearts grieve for both Mary Kay and her beautiful sons.

Message from Mary Kay:

Eric could build just about anything from furniture and buildings to networks and circuit boards. He loved his children and spent hours playing catch and helping with homework. He loved to run and he encouraged his wife in all her endeavors, recently helping her complete a 5K in Disneyland. He enjoyed going to San Jose Sharks games, was happy when the Green Bay Packers won the Super Bowl, and loved watching his Wisconsin Badgers in the Rose Bowl.

*He was a kind, generous, and loving man and will be dearly missed by his family.*
