Richard "Rick" Billings

---

It is with a heavy heart that we share with you the news that Richard "Rick" Billings, husband of TQS member [fiberwoman](#), passed away peacefully at hospice on Tuesday, June 12, 2012, just three months after being diagnosed with cancer.

Rick was a golf enthusiast and woodworker, turning out one-of-a-kind pens. Now he is perfecting his putt on Heaven's greens. He was a kind soul with a streak of spunk, reveling in teasing his family and friends even to his final days. *He will be missed tremendously.* Our thoughts and prayers go out to Jan and her entire family.
