Little Fused Art Quilts: Lesson 3

In this week's lesson Laura shows you how to add interest with one of her favorite embroidery stitches. Finish off your little *Birds and Flowers* project with a clever wrapped binding technique.

Next week it's Frieda's turn to show you how to create her *Prairie Flowers* quilt project.

And don't forget, all of Laura & Frieda's classes are FREE to anyone that has signed in. Why not start the class today?
