Stash Buster: Raw Edge Circle Quilt Top

For this week's stash-buster, you'll use both 6" and 6 1/2" squares to create a stunning (and easy) scrap quilt that you can make as large or small as you'd like.

Give it a try: this one's sure to be a family favorite!

We found this easy to make raw-edge circle quilt top tutorial ([here](#)) and thought it the perfect way to purge your stash while at the same time stitch a fun quilt sure to please you or any recipient.
