## New Class: Embellished Vintage Style Postcard

---

Join internationally renowned master of ribbonwork, [Helen Gibb](#), in the classroom as she teaches you how to create a beautifully embellished 1920s- style postcard using ribbon, lace, trims, beads, and a lovely fabric image. Once completed, Helen shares creative ideas for showing off your project.

In **Lesson 1**, which debuts **June 25**, Helen covers fabric, lace, and trim options, as well as how to begin building the base layer of your postcard.

[Buy the Kit](#)

If you'd like to join the fun right away, Helen has a limited number of [kits](#) available on her [website](#). The kit, along with all of the necessary elements that you need, also includes dupioni silk for the background, beautiful lace, and luscious silk ribbons and trims imported from Italy, and Japan.

Don't forget: if you post your WIP, you're eligible to win one of four of Helen's Ribbonwork DVDs.
