Don't Miss Embellished Vintage Postcard: Lesson 2

This week, [Helen Gibb](#) shows you how to prepare and attach your fabric print, as well as how to add a few ribbons and beads to your postcard foundation.

Helen has a limited number of [kits](#) available on her [website](#). Along with all the necessary elements, *each kit also includes dupioni silk for the background, beautiful lace, and luscious silk ribbons and trims imported from Italy and Japan.*

Don't forget: if you post your WIP, you're eligible to win one of four of Helen's Ribbonwork DVDs.
