New Class: Fabric-Folded Fiber Book with Cheryl Lynch

Fiber books, which consist of mini quilts joined together, are a great way to preserve memories of a vacation, a favorite pastime, or a memorable occasion. [Cheryl Lynch \(Episode 811\)](#) shares how to create the pages using applique, photos, digital images, and embellishments and then shows you how to turn them into a free-standing book . . . a great gift for yourself or a friend.
