Try This Project! Folded-Flower Bowl

Are you looking for a quick-and-easy handmade gift? Why not a soft fabric bowl made with fabrics already in your stash?

This charming little bowl, designed by Brett Bara, uses only two 9 1/2" squares of fabric and interfacing, and can be whipped up in about 30 minutes. Now *that's* a last-minute project you'll want to keep handy!

Brett's easy-to-follow video walks you through the process from start to finish.
