

## Tips From Great Art Quilters: Working with Photos

---

Would you like to create original work using your own photographs? Check out these diverse ideas.

[Marcia Stein \(Episode 702\)](#) goes 'old school' using a sheet protector tracing on an overhead projector.

[Gloria Loughman \(Episode 612\)](#) likes to use freezer paper patterns with a very tiny blind hem stitch for her appliqué quilts.

[David Taylor \(Episode 406\)](#) adapts a quilt from a photograph and shows what a difference using LOTS of fabrics does for creating realism.
