YOU can make a difference!

As you know, our annual quilt auction is a major fundraiser for the Alliance. Proceeds support the operation of projects like Quilters' S.O.S. - Save Our Stories and Go Tell It at the Quilt Show!, and our ability to partner on projects like The Quilt Index. You can encourage friends, colleagues and family members to bid on these quilts because they know the cause matters to you! In many cases their purchase is a way to double your impact and recognize your efforts to give back to the quilt community by supporting our work.
