Find your Quilt Style with Christa Watson

Alex talks to Modern quilter and [BERNINA](#) ambassador, [Christa Watson](#), at QuiltCon West 2016. Christa specializes in teaching others how to successfully quilt on their home sewing machines and is a cheerleader for modern quilting. At QuiltCon they discuss finding your own style, Christa's latest book, *The Ultimate Guide to Machine Quilting*, with Angela Walters, and being inspired by Jacquie Gering.

Christa will also be hosting a webinar in April on the [Hallmarks of Modern Machine Quilting](#).
