"Heart Blossoms" - A Fun Valentine's Day Project from Ricky

Ricky is spreading a little love and hopes you will join the fun! Enjoy this quick and easy project just in time for Valentine's Day. Get your creative juices flowing and see what you can do with Ricky's design!

[Download the pattern here.](#)

Once you download the pattern, there are no directions for this design as Ricky wanted you to select a method that speaks to you personally. A few ideas include: Needleturn/machine/fused appliqué, felting, make a freezer paper stencil and hand paint or color in the open areas using Paintstiks.
