Learn About "Urban Artifacts" from Leslie Tucker Jenison and RJR Fabrics

Tracy Mooney talks to Leslie Tucker Jenison about her latest fabric line for [RJR Fabrics](#), **Urban Artifacts**. Leslie discusses her influences and her design process. They also take a look at some fun accessories and talk about how a vintage lamp influenced one of her quilts.

Star Members can learn more about Leslie in [Show 1510: Screen Printing Serendipity](#), where she shares her playful, "serendipitous" screen-printing techniques for transforming natural-fiber fabrics and paper with unusual materials such as plastic Fiesta flags, product packaging, common household items, and hardware-store finds.
