The 2018 BOM: "The Patchwork Barn Quilt"

by Edyta Sitar

Join us on a TQS exclusive 12-month creative journey along America's back country roads as we bring you *The Patchwork Barn Quilt*, a fabulous quilt designed especially for TQS by Edyta Sitar. A spectacular sampler quilt featuring a barn nestled among rows of 'crops' (blocks). Edyta's design inspiration was the result of observing the wide variety of quilt blocks painted on the side of barns while traveling across the country.

Known for her love of colorfully elegant scrap quilts, Edyta has this time used her magic touch by combining a wide variety of blue and cream fabrics set against a neutral background. The resulting design is a stunning, but quieter, scrap quilt that is sure to be a family favorite for generations to come. Each month we will provide photos, detailed directions for a portion of the quilt, and full-size patterns.
