A Quilt with a "Unique" Technique

Here's a quilt with a unique technique (say that three times fast!) from Ann Holmes, at the Asheville Quilt Show in Asheville, North Carolina. It is part of the "Go Tell It at the Quilt Show!" [Quilt Alliance](#) project designed to capture the stories of quilts where quiltmakers gather.

Along with the "Go Tell It" program, the Quilt Alliance is starting a new project in the upcoming year. It is the "[Quilt Story Road Show](#)." They will visit quilt guilds, art groups, museums, quilt shows and communities that have quilt stories to tell. To get their new program started, they are having an online fundraiser.
