"Eternal Beauty" by Sherry Reynolds

Sherry Reynold's quilt, ***Eternal Beauty***, won Best of Show at PIQF 2017 and is dedicated to her mother. We think the beauty of the quilt is eternal as well.

#2071 Eternal Beauty
94" x 94"

Eternal Beauty is dedicated to my mom. When I look to the heavens and talk to her, I always see her beauty. The struggles I encountered while making this were nothing compared to her lifelong struggles with MS, but her perseverance always prevailed. Four years and 15,000 pieces later, my perseverance prevailed on this quilt. When I wanted to quit and cry, I thought of her perseverance, faith, hope and laughing in the face of adversity. My mom's beauty is eternal.
