TQS Puzzle: "Guzmania" Made by Sue Heinz from a pattern by Kara Schorstein Peterson

This beautiful **Guzmania** quilt is from a pattern by [Kara Schorstein Peterson of Seams & Dreams](#). We had to look up what type of plant a Guzmania is and discovered it is an exotic flower (a Bromeliad) that can be found in many colors. This one, by Sue, is quite striking.

Watch Sue Heinz in [Show 2312: Sizzling Sashing, Circles, and Finishes](#).
