Help Preserve Our Family History

Sponsor an interview - make another voice heard.

Love is in the air! The [Quilt Alliance](#) would love to match you up with a QSOS interview to show your passion for the rich herstory (and history, of course) of quilts and their makers. Could you make a \$25 donation today to sponsor a QSOS interview conducted between 1999-2017? Give securely on [Facebook](#) or on the *Quilt Alliance* website here: <https://quiltalliance.org/p.../qsos-20th-anniversary-donation/>

The *Quilt Alliance* is making all 1,200 QSOS oral history interviews available on a [new website](#) (You can see Alex's QSOS here). Each interview will be converted to digital audio, indexed (keywords and narratives created) and presented on the new site with new and improved tools for searching, browsing and sharing. The family of quilters and quilt lovers is the most generous and loving community in the world--thank you for helping us preserve our family history.
