"Sumire" by Hiroko Miyama

---

**Sumire** by Hiroko Miyama just brings a smile to our face. How can you not love a beautiful golden retriever on a field of flowers?

Hiroko's quilt was on display as part of the *Animal Kingdom* exhibit at the *Houston International Quilt Festival 2018*.

*Sumire*, the name of my Golden Retriever, means violet in English. I re-designed one of my appliqué patterns to showcase her expression and placed her in a field of violets.

**Techniques:** Machine quilting—track-mounted machine, free-motion; fused appliqué, hand dyeing

**Materials:** Cotton

**Design Source:** Original
