See "Lone Star Garden" a quilt by Barbara Black

---

Barbara used a striped fabric to create the large center star for **Lone Star Garden**. The appliqué designs were adapted from Pat Campbell's Jacobean Appliqué designs. The outer border is soft-edge pieced with a Jinny Beyer border stripe fabric. Barbara bought 15 yards of the border stripe over several trips to the store to be sure she had enough.

Watch Barbara in [Show 2601](#).
