

Help Australian Animals Caught in the Fires

Catastrophic fires, the worst drought in history and record high temperatures are taking a tragic toll on native wildlife in Australia.

HELP US HELP THEM! Pattern Poole has created a wonderful way to help out.

From now until January 31st, 2020. All money raised from sales of this PDF download pattern will be donated to WIRES in their efforts to rescue and rehabilitate all the unique Australian Animals effected by the Australian mega-fires in the summer of 2019-2020.
