

Final Days for Our Most Popular Clearance Fabrics

The 40% Off Sale ends Friday night. We have Sold Out on many fabrics, but here are some of the most popular that we still have a little left. People love the feel of the Linen Texture Fabrics. Holiday Flourish has a sparkle and richness that the pictures can't show. The Yarra Valley is the same fabric that was hand chosen for our BOM 2020.

Please don't wait to get what you want at these closeout prices.
