See "Artichocky" a quilt by Luz Seidensticker

---

Luz Seidensticker's quilt, **Artichocky**, was inspired by a photograph of an artichoke flower taken in her garden. The mandala design was based on her own interpretation of the Costa Rica Cartwheel quilt. The piecing is impeccable. Take a look.

**Artichocky** by Luz Seidensticker won **First Place, Pieced, Large**, sponsored by Marti Michell, at the [Houston International Quilt Festival](#) 2019.
